NEVER reveal your social security, PIN, credit card numbers or any other nonpublic personal information to solicitors. Reveal this information only when you initiate a purchase.

DON'T BE A VICTIM!

Identity theft remains one of the fastest growing crimes in America. Today's technology, which makes it so easy to manage and access our finances, allows criminals a pathway to do the same. Fortunately, New Century Credit Union is always on the lookout for ways to educate and protect our members.

Deluxe ID TheftBlock® helps you prevent criminals from tampering with your credit and stealing your identity. A comprehensive early warning system monitors and reports potential fraudulent activities in your credit file. It can help you get the early jump on would-be thieves before any damage is done to your finances, your credit, and your name. Stop by either office or check out www.newcenturycu.com for more information.

Every 79 seconds, a thief steals someone's identity.

Another Tool to Help Prevent Financial Fraud

Stop by either credit union office and pick up your complimentary copy of *Your Guide to Financial Fraud Prevention*. This informative handbook is loaded with tips, education and information regarding financial fraud.

EASY WAYS TO MANAGE YOUR FINANCES WITH NCCU

e*Teller – NCCU's online track to your personal financial services. If you are already a member of NCCU, you may register for online services by clicking on the e*Teller link on our website, www.newcenturycu.com.

Tillie Teller – our friendly, automated telephone teller. Seven days a week, 24 hours a day, you can make account inquiries, transfers and check withdrawals. Tillie can even tell you what your last deposit was or if a specific check has cleared your account.

Direct deposit & payroll deduction – The majority of companies today offer the option of depositing your entire paycheck or a portion of your paycheck, directly to your checking or savings account at NCCU. Just contact your payroll office for easy enrollment options and then let us know how to distribute your funds when they arrive.

ATMs – In addition to stopping by or calling either of our two credit union offices listed below, your funds are also available to you, surcharge free, at over 900 automated teller machines (ATM) located throughout the country. Log on to our website, www.newcenturycu.com for a list of local and nationwide surcharge free ATMs.
